BEST PRACTICES (Session 2021-22)

Best Practice 1

Title: *Extension service of the college library to the community library of adopted village*

Goal: To strengthen the community library of the adopted village.

The context: The interested readers of the lower income group do not get the opportunity to study.

The practice: The College library provides books, storage facility to the community library. It extends services and provides guidance regarding management of the library.

Evidence of success: The initiative has provided a platform for villagers to read books, exchange ideas and being aware of what is happening in and around the society.

Problems encountered: It is difficult for the community library to be fully functional due to prevailing illiteracy.

Best Practice 2

Title: *Swasthya Param Dhanam*

Goal: To ensure better physical and mental health for the stakeholders

The Context: A large number of people including students are prone to health related issues- both physical and mental.

The Practice: The Yoga Cell conducts periodic training sessions. Regular health check-up is done. Add on course on Yoga and Stress Management is offered to the students.

Evidence of success: Overwhelming response of the students, teachers, alumnae and non-teaching staff reveal the success of the practice.

Problems encountered: None
