- a) Both parties acknowledge the need to create an ecosystem for promoting innovation and entrepreneurship and are interested in partnering to further this cause.
- b) There is a need to inculcate an entrepreneurial/problem-solving mindset among the students.
- c) Both parties understand and shall strive towardscreating a support structure within an academic institution, so that students can nurture innovative entrepreneurial ideas.

3. Roles and Responsibilities of Assam Startup - The Nest:

- a) Assam Startup Nest shall facilitate creation of a network of Entrepreneurship Development Cells and Competency Centers located within the academic institutions.
- b) Promote and facilitate the setting up of Entrepreneurship Development Cells within the academic institutions which do not have one.
- c) Carry out capacity building of Entrepreneurship Development Cell personnelunder "Train the Trainer" program, free of cost.

- d) Conduct district level Outreach events to promote entrepreneurship at the grassroot level.
- e) Conduct Networking meets for the Academic Partners to facilitate interaction between the institutions and leverage the strength of each other.

f) Conduct state level B-PlanContest / Startup Hunt for start-ups.

- g) Provide Incubation support (physical / virtual) to advanced level startups selected through the contests / hunts.
- h) Provide access to common resources like mentors, experts, and investors.

4. Responsibilities of Academic Partner:

The Academic Partner (AP) shall,

- a) Create a formal Entrepreneurship Development Cell or leverage existing
 Entrepreneurship Development Cell / Incubator to conduct Entrepreneurship
 Awareness and Motivation workshops / talks to encourage students to participate in
 entrepreneurship related activities.
- b) Help in conducting Outreach programs within the respective districts.
- c) Conduct Hackathons or ideation events to encourage students to come up with ideas.
- d) Provide support to the students with innovative ideas.
- e) Organize an Annual conference and Business plan contest to identify and recognize the budding entrepreneurs.
- f) Facilitate student interaction with startups.
- g) Make best efforts to support startups from the region with knowledge and access to resources (e.g. incubation facility, technology labs), so that innovative ideas can be transformed into successful business ventures.
- h) Take care of the expenses for conducting the internal programs or contests.
- i) Take care of the cost of travel, boarding, and lodging (if applicable) for the personnel attending capacity building or networking meetsat the Assam Startup The Nest.

5. Non Exclusivity

The relationship of the parties under this MOU shall be non-exclusive and both the parties, including their affiliates, subsidiaries, and divisions, are free to pursue other agreements or collaborations of any kind.

6. Validity and Termination

This MOU is for an initial period of 2 years and may be amended or terminated earlier by a mutually written agreement of the parties at any time. Either party shall have the right to unilaterally terminate this MOU upon 60 days prior written notice to the other party.

7. Assignment

It is understood by the Parties herein that this MOU is based on the professional competence and expertise of each party, and hence, neither Party shall transfer or assign

this Agreement, or rights or obligations arising hereunder, either wholly or in part, to any third party.

8. Display of Logo

This MoU is for aan initial period of 2 years and during that period both the parties will display the logo of the partner organisation on their respective website.

9. Amendment
