

Today on 5/9/2016 Teachers' day is observed in the Dept of Philosophy. Every year the department celebrate this day. A lecture programme is also organized annually in this occasion. Some faculty of NGR from other departments or retired teachers are invited to deliver the lecture on a particular topic. This year Dr Gayatri Devi, Former HOD of Philosophy NGR (Retired) is invited to deliver the lecture on Value Education. Sri Govind Krishna Goswami, Principal i/c inaugurated the programme. Teachers and students present pay respect to the great teacher and Statesman Dr. S Radhakrishnan by lightening earthen lamp and offering flowers to his image. In this speech Sri Goswami sincerely urges the students to follow the great ideals of Dr Radhakrishnan.

Dr Gayatri Devi delivers a resourceful lecture on Value education. She, in her lecture expresses that in the present society, the crisis of value or moral value degradation is serious issue among youth. She invites elders to inculcate values in the minds of young stars. The lecture is a thought provoking one and fruitful to the students.
