

## HANDS ON TRAINING

### BIOINFORMATICS TOOLS & TECHNIQUES

**Collaboration:** IQAC, Nowgong Girls' College, Department of Zoology, Gauhati University & Zoological Society of Assam (ZSA)

**Resource Person:** Dr. Airy Sanjeev, Post Doctoral Fellow, IIT-Guwahati.

**Coordinator:** Dr. Sandip Choudhury, Assistant Professor and Head, Department of Zoology, Nowgong Girls' College

The Department of Zoology, Nowgong Girls' College conducted a Hands on Training on "Bioinformatics Tools & Techniques", in the session 2021-22 from 11/11/2021 – 13/11/2021. The main objective of the course was to teach students the basics of Bioinformatics and its use in Research and other scientific aspects. The students were taught the use of various bioinformatics tools and techniques and introduce new ventures for their career. The training was of 3 days duration. A total of 19 students were enrolled and all of them completed the programme successfully.
