

Name of the workshops / seminars: Atomic Structure and Molecular Reaction Dynamics

Number of Participants: 31

Date (From -to): 10.03.2021 – 10.03.2021

Activity report:

Mr. Rahul Kemprai from the department of chemistry, Suren Das College, Hajo, Assam delivered a lecture on the topic “Atomic structure and Molecular reaction Dynamics”. Students from the department of Mathematics, department of Zoology, department of Botany and from our department participated in this event. The students learnt about the basics of atomic structure and molecular reaction dynamics from this insightful deliberation.
