

**Name of the workshops / seminars:** Invited talk on “Successful New Century Vs. Sustainable Development and Contribution of Women Scientists”

**Number of Participants:** 44

**Date (From -to):** 25.02.2022

**Activity report:**

The department of Chemistry organized a one-day workshop on the topic of sustainable development and contribution of women scientists in order to aware the young minds towards the effect of development on environment and discuss the dos and don't for the benefit of environment as well as to inspire the girls to take up science. We invited Dr. Pallabi Goswami, Associate Professor, Dept. Of Chemistry, Nowgong College as the resource person of this program. Along with the NGC fraternity, students and faculties from the Matrix Junior College, Nagaon, Assam also attended this event.
