Sub: Request for collaboration in organizing a consultation on water governance.

Respected Sir,

Greetings from Aaranyak !

I am happy to inform you that the 'Water, Climate & Hazard Division', Aaranyak is planning to conduct a **'Consultation on capacity building and networking of CSOs in the Central Brahmaputra River Basin, Assam around water governance'** in Nagaon town on 15<sup>th</sup> and 16<sup>th</sup> May, 2019.

The objectives of the consultation are to (i) provide orientation to CSOs (Civil Society Organizations) doing good work in the water and related sectors from across the Central Brahmaputra Basin area in Assam (ii) identify and analyse major issues related to water governance in their working geographies, (iii) formulate a strategy to enable CSOs to influence and improve water governance (iv) form a network of CSOs in the Central Brahmaputra River Basin area in Assam around water governance.

In this regard we request for your kind collaboration in organising this consultation as well as for your permission to conduct the event in the conference hall of your esteemed institution on both days. We also request you to allow Mr. Kulen Das, Associate Professor, Department of Economics of your college to coordinate the event from your side.

Looking forward to having a positive response to our request,

With best regards,

Partha J Das, Ph.D.
