Awareness Programme on Swachhta Hi Sewa

The Department of Political Science conducted an awareness programme on Swachh Bharat Mission, a farsighted initiative of Government of India. The objective of the programme was to apprise the common people about the need and necessity of cleanliness or swachhta. A rally was organised by the students of the Department with focus on 'Swachhta Hi Sewa' through the streets of the town. The students tried to generate awareness among the masses with the slogans and displaying placards of plastic free environment, general cleanliness of common areas, ban on single use plastic, proper disposal of wastes etc.
