Workshop on Career Opportunities After Graduation

The Department of Political Science organized a workshop on Career Opportunities after Graduation in collaboration with ICGC on July 16, 2022 at the college auditorium. The main target group was the students who have appeared in the UG final semester examination. Along with the outgoing students, students from other semesters also attended the programme. Reema Baruah and Kabita Basumatary, both alumnae of Department of Political Science, were the resource persons. They focused on various career options that may be selected by students after graduation. 73 nos. of students participated in the programme. A certificate distribution ceremony was also arranged for the students who have successfully completed certificate courses on Human Rights and Gender Sensitisation during the session 2021-22.
